

Parish Council

Open Public Meeting

To discuss the Local Development Framework.

Members of Stondon Parish Council, the District Council, a Central Beds Planning Officer and a representative for one of the developers will be available for Parishioners to ask questions as to what is being proposed for the Parish in the way of further development. This will also provide an opportunity for the CBC Officer to brief the Parish on the next steps with respect to the LDF Public Consultation which will take place commencing in February.

Stondon Parish Council hopes this will be a constructive and informative meeting for all those who attend.

The meeting will be held in the
Village Hall, Hillside Road
and all are welcome and encouraged to attend.

7pm Wednesday 27th January

Details of the proposals can be seen on
www.talktocentralbedfordshire.co.uk/
