Residents of Stondon Village Plan

You may have heard that Stondon is developing a Village Plan. The Village Plan will be developed by people like you and might consider items such as:

- Leisure Facilities
- Employment, Education & Training
- Travel & Transport
- Crime & Safety
- Health & Welfare Facilities
- The Local Environment
- Housing & Future Development
- Facilities for Younger Residents

The Village Plan will provide an opportunity for the whole community in Stondon to voice their views & wishes for the direction of our village; to record the community's aspirations as well as the village facilities & services they'd like to see both now and in the future.

The 1st stage in the Village Plan will be a "Planning for Real" event.

Planning for Real uses a map of the village & "hands on" participation to help people put forward and prioritise their ideas on how their area can be improved. Your comments & Ideas from the event will help us develop a Village Plan Questionnaire which will be issued to every Stondon Resident & Business later in 2011

SRA Casino Night

A good time had by all!

Domesday 1986 Reloaded

Have you seen the BBC Domesday site? <http://www.bbc.co.uk/history/domesday/dblock/GB-512000-234000/picture/3>
 No-one entered much back in 1986, but there is this shot of what is now B&B Stores. Looking a bit further afield I found this of the High Street in Shefford, although it appears they were annexed to France at the time !! Or have they just flipped the photo?!!
