New Path laid in Stondon Park

Stondon Lower School has been encouraging parents to drop their children off at the car park in Stondon Park, and over the summer big improvements have been made to the path through the park and into the school. The SRA would like to thank John Boyle very much for not only funding the project, but also giving his own time to come and drive the digger!

We all hope that with a great new path, parents will take this opportunity to use the new safe access to the Lower School.
Thanks John.

Derwent Lower Football Club

DLFC have re-commenced their training sessions for the 2011-12 season. DLFC provides football fun for boys and girls aged between 4 & 9 living in Henlow & Lower Stondon as well as the surrounding area.

They focus on the fun aspects of football, encouraging the children to enjoy participating, developing their confidence and social skills as well as improving their technique and not concentrating on playing competitive games.

DLFC meet at Derwent Lower School every Saturday morning from 9 am till about 10am.

In the winter, because the coaches are delicate souls, they train in RAF Henlow's sports centre; again from 9am till 10am.

For the winter training sessions, non-services personnel will need to get a day pass to access the base, which DLFC will help organize for you.

Training sessions are due to be held as follows:

Autumn term

10 September 2011 – 22 October 2011 (£6)

5 November 2011 – 17 December 2011 (indoors), (£7)

All dates are inclusive and all subscriptions payable in arrears. Please note that DLFC will train the first Saturday of the holidays but no further sessions until the children return to school.

Children should attend in their football kit, including shin pads & have a bottle of squash/water. Teas, Coffees and bacon butties are usually available for the parents/carers accompanying the children.

**The Stondon Village Hall Management Committee
will be holding their AGM on
Tuesday 18th October at the Hall, starting at
8.15pm.**

At the AGM a summary of business, plans and events will be given followed by elections for next year's committee. We would recommend that all groups are represented at the meeting and that your group considers putting forward a candidate for the committee to help care for this valued facility. Please consider giving some of your time to get involved. Everyone is welcome to this public meeting, please take the opportunity to find out what we get up to and perhaps get involved yourself.

**Wine Tasting Evening
at Mount Pleasant Golf Club
Wednesday 5th October 7pm to 9pm
£5.00 per person (Social Committee fundraiser)**

Come along and taste a variety of wines. Nick Fox from Fullers will be on hand to answer any questions and provide tasting notes. Plus there will be a fun multiple choice quiz to test your knowledge (or see how many you can guess correctly!)
Please note due to Fullers being a wholesale provider, no wine can be purchased on the night but if there are some outright favourites we might stock them behind the bar!

Tickets available at the bar

STONDON'S BIG WEEKEND; 2nd & 3rd June 2012

As you will probably be aware many communities throughout Great Britain are having events to mark the Queen's Diamond Jubilee in 2012. Stondon Parish Council thought that this historic occasion would be a good opportunity for the community of Stondon to come together in a memorable village celebration – **STONDON'S BIG WEEKEND**.

The village's celebrations will be over Saturday 2nd and Sunday 3rd June 2012 and as this is likely to be a busy and exciting time for all, we thought you might want to "ring fence" the dates in your diaries sooner rather than later.

Plans for the weekend are rapidly evolving, but are likely to be focused around a large marquee, to be erected on the Rec at Hillside Road. Initial thoughts for events on the weekend are listed below, but if you have any additional ideas/suggestions please do let us know.

Saturday's events could include:

Children's Themed Fancy Dress Parade Competition
Best Red White Blue [RWB] Garden Award + Shop Front Award + Cake Award
Olympic Themed Sports Day
Football Tournament
Evening event [band + disco + meal + bar]

Sunday's events could include:

Combined Church Service
Big Lunch
Live Music [Brass on the Grass + Rock in the Rec + StonFest]

Are there any Local bands or musicians, Youth Bands, Sound Systems, School Choirs, Brass Bands, Morris Dancers etc who would like to join in the fun?

Please drop us an email if you're interested in participating in any way - stondonpc@virginmedia.com
