STONDON MASTERS GOLF TOURNAMENT

2009 REPORT

The 4th Stondon Masters Golf Tournament took place at Mount Pleasant Golf Club, Lower Stondon on Saturday 19th September. 21 residents of Stondon played in the Stableford event organised to raise funds for the Stondon Recreation Association (SRA).

The weather was very warm and 'summer like'. The course was as usual in excellent condition, and our thanks go to Mount Pleasant Golf Club for allowing the SRA to hold the event. Scoring on the day was quite good considering the testing conditions and fast greens.

The "Stondon Masters" winner was Simon Cutts, from Mount Pleasant, with a score of 39. Gavin Simkins was second with 36 points beating Angie Smith on countback into third place.

Gavin's score was helped with a 'Hole in One' on the 17th hole. This is the first time he has achieved this and in the time honoured fashion he bought a drink for all the participants!

Nearest the Pin on the 10th hole was John Bennett and Nearest the Pin in two on the 18th was Gavin Simkins.

The competitors were joined by some partners for a round up of the day, social drink (or two!) and an excellent meal provided by the Golf Club.

A total of £300 was raised for the SRA funds and thanks must go to all who supported the Tournament.

Next year's date is likely to be in September again so if you missed out, check out the new village website www.stondon.net for more information. If you register then you will be sent regular newsletters, keeping you up to date with what is going on in the Village.

Fakeswell Lane Play Park Volunteer Group (FLAPP'ers!)

Following the refurbishment of the Fakeswell Lane Park, it would be great if we could keep it looking lovely so it becomes a real asset to the area. We can thank the Parish Council for keeping the grass cut, but we rely on volunteer help to keep all the edges tidy.

We'd love to get a small group of local people together who could help out occasionally for a couple of hours to keep the place spick and span – and who knows, if we had enough willing hands, we might even be able to improve it further.

It can be great fun - it's a chance to meet other local people and there's usually a cup of tea and a piece of cake involved (sometimes even a burger!). We normally leave with a great sense of achievement, and the satisfaction of having done something to improve our local community.

If you'd like to play a part in keeping your local park at its best, please phone Maggie on 850555 or contact us via www.Stondon.net or email info@stondon.net.

Better still – come and join us on
